therapist  
2012 in English

## Intensive Workshop with Jesper Juul »Istria-Workshop 2012\_02« for interested parents, couples and experts

4-day workshop  
Thursday, September 13<sup>th</sup> – Monday, Sep.17<sup>th</sup> 2012  
English Seminar with Jesper Juul

**Facilitator: Jesper Juul, danish family therapist:** „My ambition is to be aware of the parents: to spend a certain time with them, and then tell them what I have observed and the chances of what they will be coping with in the future ... I understand myself as an observer and servant of the average person - I will never arrogantly state: I have the solution! For the magazin »DER SPIEGEL« Jesper Juul is an „icon of modern pedagogics“. For »Die ZEIT« „Jesper Juul is one of the twelve leading enlighteners, thinkers and visionaries“.

**Seminar costs: 3.000 €, incl. half-board, incl. 19% VAT/per person** The 4-day workshop will take place in Jesper Juul's seminar house in Istria, Croatia. This intensive workshop is suited for families, parents, couples who want to improve the quality of their relationship and attach importance to the advice of one of the leading family therapists of Europe. The number of participants is restricted to 16 persons. The workshop is in English. Jesper Juul speaks English fluently.

### Stancia Santa domenica

This magnificent "stancia" is situated in the outskirts of the village Labinci/St. Domenica 8 km. from the old roman city of Porec/Parenzo. It has a sea view and was built in 2008 in the traditional Istrian style. It contains 6 double bedrooms, 3 bathrooms – including one with sauna and one with a massage/Jacuzzi tub – a large modern kitchen and a large cooking place; a big dining room seating up to 25 people and a cozy living room with an open fireplace.

The house has its own swimming pool and a garden with access to a fully equipped summer kitchen containing a traditional grill, barbecue, stone oven and space for 15-20 people. The Adriatic Sea is 10 min away.
